

The Flips Project

The Flips Project is a program seeking to provide increased opportunity for kids to experience beginning gymnastic that was created by a local high schooler and gymnast at OOA Gymnastics. Kids will improve their agility, balance, strength, and coordination in a fun and safe environment with enthusiastic coaches. Inspired by a passion for gymnastics, we hope to extend the love of our sport to financially challenged families.

We ask that you plan on being present at all 8 classes because there are a limited number of spots. This opportunity is only offered once per child and is available on a first come first serve basis.

To Enroll or if you have any questions please call Kenna Littlefield at 541-977-1122 or visit our website: <https://theflipsproject.github.io/>

Families must provide proof of income qualification such as OHP, SNAP Benefit, or Free and Reduced lunch. Completion of wavier form for OOA is also required prior to the first class.

Please do not contact OOA gymnastics for questions or help regarding this class as it is an independent program.
